Thank you for the generous offering of **\$3,540.00** to replace the roof on the Bolondrón house/church. This old house about 100 years old, needed a new roof. Your donation will make it possible. Thank you for visiting this location las July and investing in Kingdom ministry! I had the opportunity to visit this location for the first time in January 2018 and deliver the funds your congregation sent. I have known Pastor Felipe since 2010, I enjoyed meeting Maribel. Maribel is known as a woman of prayer, an intercessor. Pictured above clockwise, *L to R*:

Thank you for partnering with Bolondrón, via prayer, giving & going!
