MISSIONAL MULTIPLICATION MOVEMENT

  
**florida** DISTRICT  
THE **wesleyan** CHURCH

the opportunity.

Do you want to have an opportunity to influence people's lives for eternity, and be a part of an excellent team while you are doing it? Here in the Florida District of the Wesleyan Church we are looking for leaders who have big dreams, big hearts, and want to make a big impact for Jesus Christ and His kingdom. If you are seeking God, and ready to see what He might have you to do here with your gifts and abilities, we invite you to explore ministry in the Sunshine State!

the team.

We believe in a team based approach in the Florida District. To us, there is no such thing as a "Lone Ranger." Christ has designed the Church to function together as a body. We believe that when the Florida Family Team works together with our individual gifts and abilities, we will be able to make the greatest impact for Christ both here and abroad.

the pastors.

In the Florida Family Team the local church pastors matter. The district leadership wants you to know that we would love to listen to your cares and concerns, and that your opinions matter to us when you are a part of our team. We promise to do all we can as a district to encourage you, build you up, and never leave you feeling like you're on an island by yourself.

We realize that one of a pastor's highest priorities is their family. While all ministry families must at times make sacrifices, we want to do our best to stand beside you during these times. The Florida District will do all we can to support pastors' spouses and children throughout the unique and at times difficult experiences of being a family in the ministry. The pastor should never feel alone, nor should anyone else in their home. We desire to make everyone feel like they are a part of the Florida Family as we offer our love and support to you.

the people.

Here in the Florida district, our main concern is the people that we serve. We desire that all people in state of Florida would have the opportunity to make a decision for Jesus Christ. Our focus is to lead people to Christ, then disciple them, and develop them into leaders who will partner with pastors to lead our churches. We desire to help our churches be healthy, vibrant, and multiplying churches that “fulfill the Great Commission in the Spirit of the Great Commandment.” This passion for multiplication is driven not by a desire for our own glory, but solely for the advancement of the kingdom of Jesus Christ.

We need men and women to partner with us who share our heart to reproduce disciples, servant leaders, and churches. We aren’t interested in maintaining the status quo. We want to reach the potential that God has for us in this great state. Doing everything we can with the strength, gifting, skills, and resources God has given us, we will partner together as a family team for multiplication in the Florida District!
