

Two great teams have created a partnership to help people WIN!

Winning At Home
Tampa Bay

The Florida District of the Wesleyan Church and Winning at Home Tampa Bay have created a strategy to make world class counseling and coaching available and affordable to the people connected with the Wesleyan Church in Florida.

Offering licensed mental health counseling as well as marriage, family and life coaching from certified coaches, Winning at Home Tampa Bay is here to help. Currently we are seeing clients online using ZOOM, Skype or Facetime.

Through the generosity of the Florida District of the Wesleyan church and the desire of our District Superintendent to serve our leaders...

*A pastor, staff member or family member of a pastor or staff member can get hope, health and healing for only \$25 per session for four sessions.

*A person attending a Wesleyan church can receive counseling or coaching for \$50 a session for the first 4 sessions. The district has committed to cover the rest of the fee for those first 4 sessions.

The next step for you or someone you know who needs some tools to build or repair emotional, spiritual, vocational or relational health, is to simply reach out to us. Don't miss the opportunity and "season" to get the help you need.
